

Corrigendum -2

Tender Name: Execution of Permanent and Semi-Permanent works for Exhibition, Display and Retail Infrastructure including associated Civil & MEP Works at Various Floors of NCHT (Handloom Haat), Janpath, New Delhi

Tender No: WAP/C&C/NIT/Handloom/2026/01

Tender ID: 2026_WAPCO_283064_1

The BOQ enclosed with the Tender Document under Section VI: Scope of Work & Technical Specifications (Page No. 146-148) specifies the quantity against BOQ Item Nos. 1.10, 1.12 and 1.16 as 1 (One). However, the Financial BOQ uploaded on the CPP Portal for submission of Financial Bids inadvertently reflects the quantity against these items as 2 (Two).

Accordingly, bidders are requested to read the quantity against BOQ Item Nos. 1.10, 1.12 and 1.16 as 1 (One) for all purposes of bidding, financial evaluation and award of the Contract. The Financial BOQ uploaded on the CPP Portal shall be interpreted accordingly.

The uploaded Financial BOQ on the CPP Portal will automatically calculate the "Total Amount Without Taxes" for the above items based on the quantity of 2 (Two). However, for the purpose of financial evaluation, only the Basic Rate quoted by the bidder against these items shall be considered, and the quantity shall be treated as 1 (One). The excess amount resulting from the system-generated quantity of 2 (Two) shall be suitably normalized/deducted during financial evaluation.

Sr No	Item Description	Quantity	Quantity to be read as	Units	Quoted Currency in INR
1.10	Vishwakarma Gallery – Graphics & Interpretive Elements:	2	1	Job	INR
1.12	Indoor Passageways & Circulation Displays	2	1	Job	INR
1.16	Electrical & Lighting Works:	2	1	Job	INR

An illustrative example to explain the evaluation procedure to be adopted is given below:

Illustrative Example:

Sr No	Item Description	Quantity	Units	Quoted Currency in INR	BASIC RATE in figures (entered by the bidder)	Total Amount Without Taxes
1.05	Retail Zone Seating & Brand Fascia	1	Job	INR	100	100
1.10	Vishwakarma Gallery – Graphics & Interpretive Elements:	2	Job	INR	100	200
1.12	Indoor Passageways &	2	Job	INR	100	200

	Circulation Displays					
1.16	Electrical & Lighting Works:	2	Job	INR	100	200
	Total in Figures					700

However, for the purpose of financial evaluation, the quantity against BOQ Item Nos. 1.10, 1.12 and 1.16 shall be considered as 1 (One) only. Accordingly, the excess amount arising due to the displayed quantity of 2 (Two) in the Financial BOQ shall be deducted while arriving at the evaluated bid price.

Accordingly, in the above illustration:

- Total amount displayed on the CPP Portal = Rs 700
- Less: Adjustment towards Excess quantity for BOQ Item No. 1.10, 1.12 & 1.16 (Rs 100 x 1 for each of the three items) = Rs 300
- **Evaluated Bid Amount = Rs 400 + applicable GST**

Note: All other terms and conditions of the Tender Document shall remain unchanged. This Corrigendum shall form an integral part of the Tender Document.
