- GM(IT)- for uploading on company's website
- All field offices in india and abroad
- EO to CMD- for kind information
- Hindi section for hindi version
- Notice boards

ATTENDANCE MARKING THROUGH FACE RECOGNITION on :: PERSONAL MOBILE

AEBAS team has created software for FACE based Aadhaar authentication with UIDAI RD for attendance marking through Face Recognition. For face authentication, picture from the repository of CIDR of UIDAI would be used. In this process face biometric would be used in place of Fingerprint/Iris of the individual.

The application would work in the similar fashion as earlier with the only difference that individual's face would be used.

Earlier the attendance marking was facilitated through Biometric i.e. Fingerprint or Iris.

Keeping in mind the current situation where the world is in the middle of a pandemic, the attendance marking has now been initiated through Face.

The process for attendance marking would remain the same, where in the user would input his/her attendance ID and would be prompted to show the face. On successful attendance marking, the display would show attendance opening and/or attendance closing for that particular employee

The application is available for Android devices only (minimum requirement stated in the document).

Installation process for the same is explained below

If your attendance marking ID is 6- digit / 8-digit refer Annexure – A

In case of any query please contact: 1800 111 555 or raise ticket at <https://servicedesk.nic.in/>

General Attendance Marking Guidelines:

1. The individual marking attendance should ensure that there is Good Light on the face.
2. User should follow all the instructions shown on the RD screen.
3. There should not be any multiple objects/persons in the background.

Minimum Device Specification:

Android version above 9, RAM 4+GB, Camera 5 MP and above.
iOS software version 14 and above

Installation application initial steps:

1. Download and Install the Aadhaar Face RD APP from the Google Play Store/AppStore.

AadhaarFaceRD

Unique Identification Authority Of India

2. Download and Install the AadhaarBAS App from the Google Play Store/AppStore.

AadhaarBAS

National Informatics Centre.

May please refer Annexure -A for further action

3. To know your Geo Lat Long may please use the app present in your Employee Login:
<https://attendance.gov.in/update/employee/entryPoint>
Visit Organization URL.

In case, if latitude - longitude not configured with your entry point. Share your Attendance_ID, Employee Name, OfficeLocation, GPS Lat-Long, Entry Point (Contact the Org Nodal Officer)

**** Please ensure that your office location is mapped correctly.**

You may check it in employee login in the attendance portal

If office location incorrect, may please update the office location

**** Ensure that latest versions of AadhaarFaceRD and AadhaarBAS App are installed/used for usage of APP.**
