

WAPCOS is playing an integral role in upgrading Education Infrastructure in Kerala and working on gross root level. Chosen as the Special Purpose Vehicle for the **“Modernisation of Schools to International Standards as Centre of Excellence and betterment of Infrastructure facilities”**. Salient features of the Project include Construction of Academic Blocks, Lab Blocks, Toilet block including dedicated disabled friendly toilet facility, Compound Wall & a Built-up Area of 69,500 sqm for all schools. Despite the hurdles posed by the COVID-19 pandemic, WAPCOS has worked with dedication through the tough time and completed 17 of a total of 50 schools till date. Of the 33 remaining schools, 15 are scheduled to be completed by March 2022 and 18 more by June 2022.

The Project for Government Boys Higher Secondary school, Mithirmala was inaugurated by Hon'ble Minister for Education, Shri V Sivankutty. CMD WAPCOS was presented a memento as a token of appreciation, for the technical assistance and timely completion of construction of the new Higher Secondary Academic block. Congratulations to WAPCOS Team Kerala for the hard work and effort.
