CHAPTER – I
INSTRUCTION TO BIDDERS

A. GENERAL	
1.1 Invitation to Bid	For and on behalf of WAPCOS Limited, Deputy Chief Engineer(WR&WS) invites online item rate tender two bid system (Technical bid and financial bid) at Central Public Procurement Portal (CPPP) at https://etenders.gov.in/eprocure/app from approved and eligible, experienced, reputed, technically competent and financially sound registered contractors of C.P.W.D (B&R/Civil/Drilling)/State P.W.D (Buildings and Roads wing)/Railways/M.E.S or any other Government Department/Organisation for the under mentioned work: Drilling and Construction of Recharge Injection and Piezometer Wells in Muzaffarpur and Samastipur Districts of Bihar. 1.1.1 Scope of Work: Drilling and Construction of Recharge Injection Wells (upto 65m-Soft Rock) and Piezometer Wells (upto 80m-Soft Rock) in Muzaffarpur and Samastipur Districts of Bihar including maintenance of completed wells for 01 year. All materials provided by contractor, should be as per technical specifications and BOQ given in the tender documents. Transportation of all men, machinery & material to construction works at site, necessary for accomplishing all the features of the works detailed above shall also be provided by the Contractor. All the inspected materials shall be stored in the store of contractor and will be verified by WAPCOS representatives/officers before utilization for construction of structures.
1.2 Eligibility and Qualification Requirements (EQR)	Bidders are advised to carefully read and adhere to all instructions, terms and conditions stipulated in the tender documents. All submissions in the support of EQR, must strictly conform to the prescribed formats and clauses as specified therein. If the submitted bid documents by the bidder does not comply or fulfil to the requirements as per tender, his tender will be liable to be rejected. WAPCOS reserves its right to, but without any obligation to do so, seek any shortfall information/documents only in case of historical documents that pre-existed at the time of the bid opening, and which have not undergone change since then and does not grant any undue advantage to any bidder. Queries /Clarifications received from any bidder after 17.08.2026 shall not be entertained. Authority to Sign the Tender a) In case of proprietary firm, the Proprietor shall sign with full name, current address OR by the authorized person holding Notarized Power of Attorney issued by the Proprietor for signing of business proposal. The Power of Attorney shall be submitted in original and shall be specific to this Bid submission only and mentioning the name of the work/project.

	b) In case of a Limited Company or Corporation, the Application shall be signed by an authorized person holding the Power of Attorney for signing of business proposal. A certified copy of the Power of Attorney shall accompany the Application. Note: Powers of Attorney duly notarized and on a stamp paper of appropriate value, issued for signing the tender documents, make corrections/ modifications, to interact with the Employer and act as the contact person, shall be submitted along with Technical Bid. This invitation to bid is open to any bidder meeting the following requirements : The bidder shall be qualified for the contract as notified by the Employer in subsequent clauses. 1.2.1 Bidder should have registered for GST (Goods & Service Tax) and provide GSTIN certificate for the State where work is to be executed and PAN Card. If not registered till date of submission of bid, bidder will give an undertaking on bidder letter head stating that they will get registered in GST as per Govt. norms before submitting of 1st bill of executed works. 1.2.2 The Bidder should be approved and eligible registered contractors of C.P.W.D(B&R/Civil/Drilling)/State P.W.D (Buildings and Roads wing)/Railways /M.E.S or any other Government Department/Organisation and tendering limit of bidder should be more than the estimated cost of bid for execution of Drilling work. Copy of Certificate of Incorporation/ Registration/Partnership Deed Registration or any other relevant document, as applicable, should be submitted along with a copy of address proof. The bidder will submit Name, address, details of the organization, Name(s) of the Owner/partners/promoters and Directors of the firm/company as prescribed in Form-B1. The bidder should have EPF registration. 1.2.3 The work completion certificate should mention the details of work executed and the date of completion of the work in the last seven year and in hand should be certified by an officer not below the rank of First-class officers or equivalent. The work completion certificate should be as per standard format. The work experience certificate should carry e-mail ID and postal address of the issuing authority. 1.2.4 The bidder must have experience of successfully completed similar works during last 07 years ending previous day of last date of submission of Tenders: Three (03) similar completed works each costing not less than the amount equal to 40% of the estimated cost put to tender. Or Two (02) similar completed works each costing not less than the amount equal to 50% of the estimated cost put to tender. Or One (01) similar completed work costing not less than the amount
--	---

	equal to 80% of the estimated cost put to tender Definition of Similar Nature of Work: Works related to Drilling and Construction of Recharge Injection Wells, Piezometer Wells, Exploratory Wells or Observation Wells. The executed works must have involved drilling for water related projects. The value of the work done declared is to be without GST/Taxes. For the works, where the Taxes or GST is not clearly defined, the value of works shall be considered as including GST and GST @12% shall be deducted for the works completed up to 31.12.2021 and GST @18% shall be deducted for the works completed after 01.01.2022 to establish the value of work done. The value of executed work shall be brought to current costing level by enhancing the actual value of work at simple rate of 07% per annum; calculated from the date of completion to previous day of last date of submission of tenders. The past experience in similar nature of work should be supported by certificates issued by the Client's Department/Organization. In case, the works/certificates are not verified by the issuing authority, WAPCOS reserves the right to not consider for the award of works. Verification should be done from the official email id of issuing Authorities. The bidder will provide official e-mail, Landline number of the Issuing Authorities in prescribed Form-C(c) with undertaking. Bidder will ensure the email ids and landline are in working condition. If certificates are not verified by the issuing authority, then it may not be considered for technical evaluation. 1.2.5 The average annual financial turnover of the bidder from Drilling construction works during the immediate last consecutive three years shall not be less than 50% of the estimated cost ending 31st March 2026. Year in which no turnover is shown would also be considered for working out the average. The turnover, profit, net worth (positive during the last financial year 2025-26) certificates for last five financial years (2021-22 to 2025-26) are to be submitted and must be certified by the statutory auditor of the firm/company. Any such certificate must carry the UDIN (Unique Document Identification Number). 1.2.6 The bidder should not have incurred any loss (profit after tax should be positive) in more than two year during available last five consecutive Balance Sheets, duly certified and audited by the chartered accountant. Bidder shall attach balance sheet and profit & loss statement in support of Form-A1 Note: This certificates will be verified through ICAI Portal using UDIN number mentioned in Form-A1 There is no need to upload entire voluminous balance sheet. However, summarized balance sheet (audited) and summarized profit & loss account (audited) for last 05 years shall be uploaded.
--	--

1.2.7 The bidder should not be insolvent, in receivership, bankrupt or being wound up, not have had their business activities suspended. Accordingly, Bidder shall submit Bank Solvency Certificate issued from a Nationalized/Scheduled Commercial Bank approved by Reserve Bank of India (RBI) for a sum of at least 40% of the estimated cost of the work. The Certificate should be issued between the publishing of NIT & last date of submission of Bids, including extensions if any and shall be addressed to WAPCOS Limited, 76-C, Institutional Area, Sector-18, Gurugram, Haryana specific to this Bid submission only and mentioning the name of the work/project. The certificate shall be submitted in original and the colour/b&w copy/scanned copy shall not be accepted. The certificate should carry name, designation of the bank official, who has the authority to issue Solvency Certificate.

In case of MSME bidders, a Banker's Certificate indicating general worthiness or Credit Line/Sanction Letter from Scheduled/Nationalized Bank as applicable may be provided.

Verification should be done from the official email id of issuing Authorities. The bidder will provide official e-mail, Landline number of the Issuing Authorities in prescribed Form with undertaking. Bidder will ensure the email ids and landline are in working condition. If Certificate is not verified by the issuing authority, then it may not be considered for technical evaluation.

1.2.8 The bidder shall have sufficient construction equipment's, field testing equipment/machinery and skilled Geologist/Geophysicist & manpower to carry out the works and shall submit details along with documentary proof of such machinery and manpower, which he proposes to deploy.

Table-II

Equipments/ Machineries (own)	Minimum Required Nos.	Manpower (Regular)	Minimum Required Nos.
Drilling Rigs	2	Geologist (Post Graduate/Graduate-minimum 15 years of experience)	1
Air Compressor	1	Geophysicist (Post Graduate/Graduate-minimum 15 years of experience)	1
Geophysical Logger	1	Site Supervisor (Drilling-in-Charge-minimum 10 years of experience)	2

Minimum Manpower and Machinery as stated above should be arranged by the bidder and in addition to above, the bidder shall, as and when required, deploy additional manpower, machinery, equipment, and other resources at the site to meet the project requirements and ensure completion of the work within the stipulated contract period. The bidder will submit "undertaking for manpower and machineries/equipments deployment" as prescribed in **Form-E**.

If bidder failed to deploy manpower and machineries/equipments within mobilisation period as mentioned in the tender documents, WAPCOS is free to terminate the contract at any time & forfeit the Bank Guarantee and blacklist the bidder.

1.2.9 The blacklisting policy of the company is available on official website of WAPCOS Limited. The bidder/tenderer/consultant/contractors have to mandatorily furnish an undertaking addressing the same to Engineer-in-Charge in the form of certificate to abide the contents of blacklisting policy. The format of undertaking is provided at **Form-H**. Any action in violation of the blacklisting policy or to the certificate furnished shall result in cancellation of tender at the stage before or after the award of work.

1.2.10 Bid Capacity as prescribed in **Form-D**.

The bidder should possess the bidding capacity as calculated by the specified formula.

The formula generally used is:

Available bid capacity = $A \times 1.5 \times N - B$, where

A=Maximum value of Drilling (similar nature of work as defined and relevant to work being procured) works executed in any one year during the last five years (updated at the current price level), taking into account the completed as well as works in progress.

N=Number of years prescribed for completion of the work in question.

B=Value (updated at the current price level) of the existing commitments and ongoing works to be completed in the next 'N' years.

Location	Type of Wells	Total Number of Wells	Minimum Number of Team to be deployed in one go	Time allowed for completion of Project	Remarks
----------	---------------	-----------------------	---	--	---------

Note: -

Implementation Plan

In view of time bound completion of the project, successful bidder shall adhere to the implementation plan as given below table:

Table-III

	<table><tr><td>Muzaffarpur and Samastipur Districts of Bihar.</td><td>Recharge Injection Wells and Piezometer Wells</td><td>21 Nos.</td><td>02 Nos.</td><td>03 Months</td><td>Each team should have independent requisite manpower & machinery and other infrastructure</td></tr></table> Note: - 1. Bidder should note that milestones prescribed above shall be monitored on daily/weekly/monthly basis for outcome. In case, progress is not achieved as per milestone, WAPCOS shall be free to cancel work in addition to the implementation of LD Clause and forfeiture of performance security. 2. Regarding quality, Bidder is bound to follow the technical specifications and directions of WAPCOS’s representative. 3. Photos/Videos of each activity for each structure will be submitted along with each bill submitted for payment by the contractor.	Muzaffarpur and Samastipur Districts of Bihar.	Recharge Injection Wells and Piezometer Wells	21 Nos.	02 Nos.	03 Months	Each team should have independent requisite manpower & machinery and other infrastructure														
Muzaffarpur and Samastipur Districts of Bihar.	Recharge Injection Wells and Piezometer Wells	21 Nos.	02 Nos.	03 Months	Each team should have independent requisite manpower & machinery and other infrastructure																
1.3 Cost of Bidding	The bidder shall bear all costs associated with preparation and submission of his bid and WAPCOS shall in no case be responsible or liable for these costs, regardless of the conduct or outcome of the bidding process.																				
1.4 Site Visit	Site visit will be conducted on 24-08-2026 and 25-08-2026 from 09:00 AM onwards. WAPCOS Contact person for site visit will be available at Muzaffarpur/Samastipur, Bihar (Contact: e-mail: gwrmd@wapcos.co.in). It is advised to bidders to send senior representative with proper authorization letter of bidder during site visit for actual assessment of the project site location and scope of works. The cost of visiting the site shall be at the bidder’s own expense.																				
	Note: If there are varying or conflicting provisions made in any one document forming part of the contract, the Accepting Authority shall be the deciding authority with regard to the intention of the document and his decision shall be final and binding on the contractor.
