26.0 TERMS OF REFERENCE

SCOPE OF WORK

Civil work for the construction of Indoor Sports Hall/Swimming Pool Complex/Open Sports Complex, Stadiums, Grounds with Natural/Artificial turf, other sports infrastructures etc. of International Standards, Multi-storied building structures, Retrofitting works, Strengthening work, Renovation and other buildings & infrastructure works.

OBJECTIVES

The objective of the project to render the following services:

1. To carry out such studies as may be necessary to determine feasibility of the WAPCOS requirements, review with WAPCOS the alternative design if necessary and construction approach and cost implications, obtaining necessary approvals/permissions under statutory requirements.
2. To carry out detailed engineering survey and prepare conceptual architectural plans showing the capacity of the site to meet specific requirement of the client.
3. To prepare full Architectural & Engineering design and drawings of the stadium and other auxiliary activities such as Acoustics, P.A. System, Retrofitting works etc.
4. MEP service designs (Mechanical, Electrical and Plumbing)
5. To prepare detailed estimate based on adequate site data and the rates should be adopted from the latest and relevant Goa Schedule of Rates (GSR) & Maharashtra Schedule of Rates (MSR) for electrical items not included in GSR (Electrical). Wherever rates are not available in the GSR/MSR for certain items, the rates shall be worked out based on Fair Market Rates (FMR) with proper rate analysis and quotations shall be prepared, including bill of quantities, Preparing presentation to Expenditure Finance Committee of State/Central Government and assist WAPCOS for obtaining Central Grants by way of preparing Detail Project Report, Visiting the Central Ministry/State Offices, and do all the needful for obtaining grants to Client/Department.
6. To prepare tender documents and further it is to state that the said work/works will be tendered by the WAPCOS/Client and shall be awarded to the L1 Contractor/Agency. Further Agency shall take PMC work/works.
7. To prepare and issue working drawing necessary for the completion of the project.
8. To supervise the work by appointing qualified personnel on the site to maintain the quality of work as per the agreement and relevant codes in practice ,to obtain timely approval from the Client/WAPCOS if require as per site condition, scrutinize the RA Bills as per agreement and assist WAPCOS for the settlement of Bills of the Contractor/Agency.
9. Assist WAPCOS for Issuance of Completion Certificate, Inspection certificates, Submission of As-Built Drawing, Prototype of Project as per direction of WAPCOS etc.

AN OUTLINE OF THE TASK TO BE CARRIED OUT

The Agency is expected to provide full time on site support team from each trade (Architectural, Structural, MEP, etc.) to administer the terms of contract document during operations on site in terms of quality and adherence to specification and drawings.

In providing these services, the Agency may choose to make use of the local technical resources in the preparation of the detailed Engineering Design of the project. In all circumstances, however, the Agency must exercise direct overriding responsibility for the quality of the output of such arrangements and for timely and effective integration of such outputs into the overall requirements under these services. The Agency must at all times retain direct responsibility for reviewing and approving the work programme, reports, drawing and any other output prepared under these. Accordingly, the Agency will be required to provide staffing resource of demonstrably sound and extensive expertise in the monitoring and supervision of Construction of projects involving high design standards. While executing the activities set in "Terms of Reference" (TOR) by the Agency, it is obligatory to take approvals that are deemed necessary from various relevant agencies like Client, local administrative bodies etc.

STANDARDS AND CODES OF PRACTICE

1. All activities related to field studies, design and documentation shall be done as per relevant IS Codes of Practice, CPWD specifications, latest guidelines / circulars of MORTH, Neufords data, IOA, IOC, International/National Sports federation standards. For aspects not covered by above, international standard practices, such as British and American Standard may be adopted. The Agency, upon award of the Contract, may finalize this in consultation with WAPCOS.
2. All notations, abbreviations and symbols used in the report, documents and drawings shall be as per IS Codes of Practice / CPWD Specifications.

SCOPE OF WORK FOR BUILDING WORKS

PHASE-I:

A.) Pre-construction survey, site planning and approval of drawings based on concept design.

This will include detailed site joint inspection along with WAPCOS/Client engineers, if necessary for ascertaining feasibility of site and finalizing alignment of general features. This will involve site planning and preparation of conceptual level drawings based on client requirement and satisfying the technical parameters so as to be fit to hold any National Sports events.

Within the scope of the technical and economic feasibility study, the Agency shall conduct all necessary inventory surveys, soil/sub-soil and material survey and also if required with consultation the concerned National Sports Federation to get the requirement that are necessary to prepare the detailed architectural drawings and allied services.

a. FEASIBILITY STUDY.

- i. This will include identification of proposed site, examining of site constraints and potential, site demarcation, verification of plot boundaries and areas as per survey plans, identifying neighboring plots, their ownership and areas in case of land acquisition, identifying the storm water drainage, surface runoff flow patterns affecting the site, wide topographical survey of the land allotted for the project, finalizing project requirements in consultation with WAPCOS/Client/Local bodies preparing conceptual plans, exploring the possibility of additional FSI, preparing block estimates, socio-economical analysis and financial analysis.
- ii. The Agency shall study the prevailing bye laws, ODP, proposals, master plans prepared by Town & Country Planning, PWD, Health Department, Electricity Department, Transport Department, Fire Services, Pollution Control Board, Department of Science & Technology and Environment, PDAs, City Corporations, Municipalities, Village Panchayats, Kadamba Transport Corporation and other such agencies before proceeding with the preparation of detailed drawings.

PHASE II:

A) DETAILED ENGINEERING DESIGN, ESTIMATION OF QUANTITIES AND PROJECT COST:-

This phase includes preparation of detailed estimate and architectural, Structural/MEP drawings and obtaining the sanction from the Client.

- (a) DESIGN STANDARDS:-** The agency shall evolve design standards and material specification which shall be primarily based on IS Codes, N.B.C. Standards, C.P.W.D. Manual & relevant standard and recommendations of IOC, IOA, National sports federation and local laws.

(b) ARCHITECTURAL/ENGINEERING DESIGN:-

- (i) To prepare relevant Architectural drawing along with RCC/Structural/MEP design and drawings and documents for obtaining necessary statutory approvals and consent so as to commence the work.
- (ii) To ensure that design of engineering services are developed in a manner compatible with structural concept, special importance shall be given to the provision of barrier free environment to the project for the physically disabled, while preparing the drawings. .

B) DETAILED ENGINEERING SURVEYS AND STUDIES

- i. At the first instance, determine the zoning of the area where the project has been proposed, the permitted FAR and other aspects of Building regulations in force by interacting with TCP/PDA and confirming the same by obtaining a certificate to that effect followed by preparation of conceptual designs with reference to requirements given and prepare the approximate estimates of cost based on the latest Plinth Area Rates, Goa Schedule of Rates or market rates for items not available on GSR.

- ii. Modify the conceptual designs incorporating required changes and prepare preliminary drawings and designs for the WAPCOS/Client's approval with revised estimates of cost.
- iii. Visit the site of work as and when necessary to clarify any decision or interpretation of the drawings and specifications that may be necessary and attend conferences and meetings.
- iv. Finalise the scope of the project including the design, agree on the project cost estimates, revenue resources and the format of project implementation (time period, rehabilitation, temporary operations, land acquisition etc.). The format of the project implementation would also include the roles and responsibilities of Government of Goa and the private operator, incentives and penalties, and other terms of the concession period.
- v. Prepare drawings required for approvals from statutory bodies like PDAs, Municipalities, Town & Country Planning and Panchayats by liaising with the concerned departments and other concerned authorities to be abreast of the latest rules and regulations, procedures and norms and provide assistance in obtaining approvals. Special importance shall be given to the provision of barrier free environment to the project for the physically disabled, while preparing the drawings.
- vi. Initiate the process of land acquisition, rehabilitation of tenants / lessees etc and initiate process of making temporary arrangements for operations. Agency will prepare Land Acquisition proposal and assist WAPCOS/Client for Land Acquisition needed for execution of project. Agency will bring to the notice of the WAPCOS, if there is any delay in Land Acquisition proceedings for acquiring land, for the project, etc., and any infringements of hutments or buildings and any other details relevant for the work
- vii. Preparation of working drawings including large scale and full size details, detailed specifications and schedule of quantities sufficient to invite tenders and to obtain statutory approvals.
- Viii. Preparation and submission of complete working drawings and details sufficient to commence work at site for the proper execution during construction, covering aspects like mode of measurement, method of payment, quality control procedures on materials etc.

C. GEO TECHNICAL INVESTIGATIONS AND SUB SOIL EXPLORATION FOR BUILDINGS.

The Agency shall study and use the available Geo-Technical investigation reports and sub soil investigation data from the earlier studies, if available. If not available, the Agency, at his own cost, shall carry out additional Geo-technical investigations and sub-surface explorations for proposed building and at any other location as necessary for proper design of the works and conduct all relevant laboratory and field test on soil and rock samples. Investigation shall be

carried out to provide sufficiently accurate information on the basis of which foundations can be designed rationally.

D. MATERIAL INVESTIGATIONS

- i. The Agency shall identify quarry sites, borrow areas, conduct market enquiry and undertake field and laboratory testing of the material to determine their suitability for various components of the work and establish quality and quantity of various construction materials and recommend their use on the basis of techno economical principles. If desired by the WAPCOS, the Agency shall prepare quarry charts indicating the location of the selected borrow areas, quarries and respective estimated quantities.
 - ii. It is to be ensured that no material shall be used from the land on which the project has been proposed, except by way of leveling the ground as required from the construction point of view, or for landscaping and planting of trees etc. or from the cutting of existing ground for obtaining the required formation levels.
 - iii. Environmental restrictions, if any, should be duly taken into account while selecting new quarry locations.
 - iv. Agency shall make suitable recommendations regarding making good the borrow and quarry areas after the exploitation of materials for construction of works.
- E. Preparing short notes specifying the details of foundation and other details indicating shifting of overhead electrical structures, pipeline, cables etc. complete in the available schematic drawings.
- F. Proposal to shift the utility services of various agencies may also be included in the feasibility report.
- G. All lands required for temporarily or permanent acquisition shall be clearly marked on Revenue (Village) Survey Maps with Survey numbers, Part numbers, Structure details, holder so that land acquisition can be speedily proceeded with. All expenditure to obtain the PTS sheets and property records shall be borne by the Agency.
- H. Agency shall Submit 3D model of proposed structure.

REPORT

The report shall include but not limited to the following:

- Status of existing services (water supply, power, sewerage system);
- Topographical surveys;
- Interactions with WAPCOS, Client and other concerned authorities.
- Details of project guidelines and planning indicating schedule of floor area requirements.

- Modifications as suggested by WAPCOS / Client and other concerned authorities.
- Conceptual plans.
- Dimensional AutoCAD presentation, if so, desired by the WAPCOS / Client.
- Existing bye-laws of regulatory bodies and possibility of additional FSI.
- Socio-economical analysis and block estimate.

Reports are to be submitted to WAPCOS in 2 hard copies and soft copies as well as in editable format also.

WORKING DRAWINGS

C. ARCHITECTURAL WORKING DRAWINGS

After obtaining clearance on the available preliminary drawings and designs, detailed architectural drawings with plans, elevations, sections, joinery details schedules, internal and external finishes etc. and all relevant details necessary for the satisfactory execution of the work shall be supplied by the Agency. Materials and specifications shall be chosen giving aspects of economy, maintainability and integration with the existing buildings.

D. ELECTRICAL LAYOUT

The Agency shall prepare electrical layouts showing the entire distribution system including internal and external electrification, electrical installations, lighting protection, HT/LT cabling, etc., provision of telephone conduits / other conduits, and design in co-ordination with the existing services etc.

E. WATER SUPPLY / SEWERAGE / SANITARY / DRAINAGE SYSTEM

The Agency shall supply layouts showing the pipelines as well as detailed drawings for execution of work consisting of :

- Internal and external water supply including such installations.
- Sanitary installations.
- Appropriate sewerage disposal system.
- Overhead tank and reservoir.
- Storm water drainage.
- Collection, storage and disposal of waste.

The requirement of drainage system and the integration of the same with existing drainage system shall be worked out for the entire area of the project.

F. FIRE SAFETY

The Agency shall prepare schematic proposals showing provisions to meet requirements for firefighting regulations such as fire detection, fire protection and security systems.

G. MECHANICAL SERVICES

The Agency shall prepare schematic drawings for fixing of machinery, equipment and foundation design, heating, ventilation and air conditioning including HVAC etc., depending upon the requirement.

H. LAND DEVELOPMENT, LANDSCAPING AND ARBORICULTURE

The Agency shall prepare drawings showing areas to be landscaped, water bodies, roads, parking footpaths, boundary wall and gates etc. The Agency shall work out appropriate plan for planting of trees (specifying the type of plantations), horticulture, floriculture etc., wherever required as well as on the surplus land with a view to beautify the area and making the environment pleasing. The existing trees/plants shall be retained to the maximum extent possible. In addition the Agency shall provide services in respect of surface drainage design and water management, irrigation design, illumination design, co-ordination of external services. Aspects of proper servicing and maintenance shall be one of the aspects of the design.

I. INTERIORS

The Agency shall prepare drawings showing interior design after a study on space planning / development of volumetric study, and provide services in respect of architectural additions / alterations.

J. MISCELLANEOUS WORKS.

- i. The Agency shall make suitable designs and layout for miscellaneous works including, Vehicle Parking areas, Telecommunication & Networking facilities, Illumination, etc., wherever appropriate.
- ii. The Agency shall prepare the detailed scheme and layout plan for works.
- iii. The Agency shall prepare detailed plan for traffic circulation.
- iv. The Agency shall prepare and file applications on behalf of WAPCOS/Client in relevant forms with shifting fee with relevant authorities, local offices for each utility. Similarly, for tree cutting, application with details and annexures shall be filed with local Forest Authorities such as Range Forest Officer along with fees. All such fees shall be reimbursed on production of receipts.

(II) STRUCTURAL DESIGNS AND SPECIFICATIONS

The Agency shall prepare detailed structural drawings along with structural analysis and design calculations taking into account that the structure(s) shall be earthquake resistant building, as per relevant IS codes for concrete, steel and other structural materials. Seismic factors as per relevant IS code shall be considered for design. Soil tests and analysis report if available, will be provided by WAPCOS to the agency for structural designs and structural calculations. If soil tests and analysis reports are not made available by the WAPCOS, the Agency shall carry out the Soil tests and analysis report if required at his own cost. The Agency shall issue a structural safety certificate for all works and submit all design calculations to the WAPCOS.

(III) ESTIMATION OF QUANTITIES AND PROJECT COSTS

- i. The Agency shall prepare the detailed estimate based on adequate site data and the rates should be adopted from the latest and relevant Goa Schedule of Rates (GSR) & Maharashtra Schedule of Rates (MSR) for electrical items not included in GSR (Electrical). Wherever rates are not available in the GSR/MSR for certain items, the rates shall be worked out based on Fair Market Rates (FMR) with proper rate analysis and quotations. The estimate shall contain abstract of cost, measurement sheets, reference to GSR and market rates and a brief report on the estimate, while submitting to the WAPCOS to obtain approval. The Agency shall attend all Estimate Scrutiny Committee meetings of Client for main work as well as various sub-works for scrutiny of the estimates upon intimation from WAPCOS. Hard copies of the estimate thus notified by WAPCOS as "Accepted" shall then be submitted by Agency in triplicate.
- ii. The Agency shall develop cost estimates based on Bill of Quantities (BOQ) within a level of accuracy of plus/minus 10 percent of true cost. Provision shall be made for items such as relocation of utilities, structures, compensation for property, land and crops, drainage structures etc.

PHASE III

THIS PHASE WILL INCLUDE PREPARATION OF TENDER DOCUMENTS

- i. Preparation of draft Tender documents which includes General and Special Conditions, Bill of Quantities, specifications and drawings and obtaining the approval of WAPCOS/Client.
- ii. Agency will hold the meeting with WAPCOS & Client to fix up completion period of entire Project/Work prior to calling of tender.
- iii. The Agency shall submit one soft copy and one hard copy duly signed and stamped each page of the draft tender documents and after obtaining the approval from WAPCOS shall submit fair soft (two copies) and a hard copy duly signed and stamped. The WAPCOS/Client will thereafter call the tenders. The above soft and hard copy of the draft and approved tender document shall be made available by the Agency at their own cost.
- iv. The Agency shall submit clarifications of any doubts of the intending bidders or for modification on any condition of the contract, specification, etc. to the WAPCOS.
- v. Bids received will be scrutinized by the Agency and will give their recommendations with brief notes for taking a decision by WAPCOS/Client on the bids received.

- vi. Once the offer is approved by WAPCOS/Client, specific Agreement with successful bidder will be entered by Client to carry out the work as per tender conditions and instructions given by WAPCOS/Client.
- vii. Agency shall see that the Agreement is executed between the Contractor and Client. The Agency is thereafter fully responsible to get the work successfully completed and opened to the public within the specified time laid down by WAPCOS/Client.

PHASE IV

THIS PHASE WILL INCLUDE SERVICES DURING CONSTRUCTION PERIOD

After selection of a Contractor for execution of infrastructural works or as may be required by the client, the Agency shall provide project management services such as:

- a. Preparation of bar chart in consultation with the contractor/client to ensure timely completion of the work
- b. Day to day and timely supervision of works
- b) Issue working drawings as per the site conditions
- a. Quality control
- c) Preparation and certification of bills
- d) Preparation and submission of monthly reports to client with test certificates
- e) Call for, organize and hold monthly coordination meetings
- f) Contract administration

INTEGRITY AGREEMENT

[To be submitted on Stamp paper of At least Rs.100 and to be notarized]

This Integrity Agreement is made at on this day of 20.....

BETWEEN

WAPCOS Limited, New Delhi (Hereinafter referred as the ‘**Principal/Owner**’, which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns) **AND** (Name and Address of the Individual/firm/Company) through (Hereinafter referred to as the.....(Details of duly authorized signatory)

“Bidder/Agency” and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

PREAMBLE

WHEREAS the Principal / Owner has floated the Tender (NIT No.) (hereinafter referred to as “Tender/Bid”) and intends to award, under laid down organizational procedure, contract for (Name of work) hereinafter referred to as the “Contract”.

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Agency(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as “Integrity Pact” or “Pact”), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under: -

Article 1: Commitment of the Principal/Owner

- (1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self

or third person, any material or immaterial benefit which the person is not legally entitled to.

- (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
 - (c) The Principal/Owner shall endeavour to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- (2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Agency(s)

- (1) It is required that each Bidder/Agency (including their respective officers, employees and agents) adhere to the highest ethical standards and report to the WAPCOS all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- (2) The Bidder(s)/Agency(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
 - (a) The Bidder(s)/Agency(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
 - (b) The Bidder(s)/Agency(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
 - (c) The Bidder(s)/Agency(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/ Contract(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others,

any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

(d) The Bidder(s)/Agency(s) of foreign origin shall disclose the names and addresses of agents/ representatives in India, if any. Similarly, Bidder(s)/Agency(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participates in attender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

(e) The Bidder(s)/Agency(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.

- (3) The Bidder(s)/Agency(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- (4) The Bidder(s)/Agency(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the WAPCOS interests.
- (5) The Bidder(s)/Agency(s) will not directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Agency(s) and the Bidder/ Agency accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- (1) If the Bidder(s)/Agency(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days' notice to the agency shall have powers to disqualify the Bidder(s)/Agency(s) from the Tender

process or terminate/determine the Contract, if already executed or exclude the Bidder/Agency from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. Such exclusion may be forever or for a limited period as decided by the Principal/Owner.

- (2) Forfeiture of EMD/Performance Guarantee/Security Deposit: If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee of the Bidder/Agency.
- (3) Criminal Liability: If the Principal/Owner obtains knowledge of conduct of a Bidder or Agency, or of an employee or a representative or an associate of a Bidder or Agency which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- (1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- (2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Agency as deemed fit by the Principal/ Owner.
- (3) If the Bidder/Agency can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Agency's/Sub-agency's

- (1) The Bidder(s)/Agency(s) undertake(s) to demand from all sub agencies a commitment in conformity with this Integrity Pact. The Bidder/Agency shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Sub-agency's/sub-vendors.
- (2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Agency's.

- (3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6: Duration of the Pact

- (1) This Pact begins when both the parties have legally signed it. It expires for the Agency/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded.
- (2) If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, WAPCOS.

Article 7: Other Provisions

- (1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Principal/Owner, who has floated the Tender.
- (2) Changes and supplements need to be made in writing. Side agreements have not been made.
- (3) If the Agency is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- (4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- (5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8: LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.
