----	-----------------------------------	---

Submission of Online Bids is mandatory for this Tender. For conducting electronic tendering, bidders shall use the portal:

<https://gem.gov.in>

#### **INSTRUCTION FOR ONLINE BID SUBMISSION**

The bidders are required to submit soft copies of their bids electronically on the GeM Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the GeM Portal, prepare their bids in accordance with the requirements and submitting their bids online on the e-GeM Portal.

More information useful for submitting online bids on the e-GeM Portal may be obtained at:

<https://gem.gov.in>

#### **4.1.1 REGISTRATION**

1. **Create a seller account on GeM :** Creating a GeM seller account is the primary step for manufacturers and sellers. The registration on GeM should only be done by an authorized person or key person of their respective entity.
2. **Updation of organisational profile :** Once the creation of the seller account is complete, applicants are required to update their organizational profile, such as PAN validation, Company Details, address verification and bank account detail of the organization.

Once the primary setup of the GeM profile is done, firms must deposit caution money respectively as per their turnover.

<b>Sellers turnover</b>	<b>Caution money fees</b>
Less than Rs. 1 crore	₹5,000/-
Turnover between Rs. 1-10 crores	₹10,000/-
Turnover more than Rs. 10 crores	₹25,000/-

3. **Seller's GeM vendor assessment:** After the deposition of caution money, sellers are required to apply for **GeM vendor assessment**. All sellers must apply for assessment to participate in public procurement of Q1 & Q2 category products. **Vendors also have to pay the assessment fee of Rs. 11,200 + GST. The assessment carried out by QCI in 2 stages.**
4. **Desktop assessment:** Sellers are required to submit mandatory documents in this process. Quality control of India (QCI) verifies data and documents of the entity. The objective is to understand the process, such as the entity's a manufacturing/assembling process, policies, function and performance.

5. **Video assessment:** Once the desktop assessment is completed. QCI moves on to validate the information through video assessment. The auditor of QCI conducts it through a mobile-based app.

The vendor needs to pass this step to obtain their **OEM status to list their brand** on the Gem portal for public procurement.

#### 4.1.2 SEARCHING FOR TENDER DOCUMENTS

- 1) Step 1: Login to Your Account to Initiate the GeM Portal Bidding Process.
- 2) Step 2: Search for the Product you want to bid on GeM Portal.
- 3) Step 3: Choose the Product you want to bid on GeM Portal.
- 4) Step 4: GeM Bid On the Product once Selected.

The quoted rate of each item shall remain firm till completion of contract. The company reserves the right to alter, amend and omit or otherwise vary the quantities as may be necessary but such variation will be limited to ± 25% (plus or minus twenty five percent) of the quantity mentioned in bid document. Payment shall be made as per actual execution.

## **18.0 Sub-letting of Contract:**

The contractor shall not, without the written consent of the Company, assign or sublet his contract or any part thereof, other than for raw materials, or for any part of the work provided that any such consent shall not relieve the contractor from any obligation, duty or responsibility under the contract. In the event of sub-letting of contract or any part thereof is permitted, the fact that such permission has been accorded shall not establish any contractual relationship between the approved Sub-vendor and WAPCOS Limited of any of his liabilities and obligations under the contract.

## **19.0 Supplementary Works:**

Whenever supplementary works become unavoidable for completion of the work in all respect, the Agency/Contractor shall bring the matter to the notice of the Controlling Officer and advise the Agency/Contractor to proceed with such item(s) of work.

Rates for supplementary item shall be arrived on the basis from the existing items & rates in the contract.

## **20.0 Agreement:**

The Agency/Contractor will have to sign an agreement with WAPCOS Limited as per the format specified in Annexure-I. The agreement is non-exclusive in nature. The agreement shall not restrict WAPCOS Limited from contracting for identical or similar services from any other person/party.

This agreement shall initially be valid for a period of the contract which may be extended for an additional period unless as provided herein revoked earlier for whatever reasons. If at any stage during the tenure of this agreement, it comes to the notice of WAPCOS Limited, directly or through some other complaint, that the Agency/Contractor had misrepresented the facts or submitted any false information or hidden any information, which could have affected the signing of this agreement with the agency, this agreement shall stand terminated immediately upon intimation to the Agency/Contractor.

WAPCOS Limited may, without prejudice to any other remedy available for the breach of any conditions of agreement, by a written notice of one month issued to the agency at its registered

office, terminate or suspend this agreement under any of the following circumstances:

- a) The Agency/Contractor failing to perform any obligation(s) under the agreement.
- b) The Agency/Contractor failing to rectify, within the time prescribed, any defect as may be pointed out by WAPCOS Limited.
- c) The Agency/Contractor going into liquidation or ordered to be wound up by competent authority.

Either party may terminate the agreement, by giving notice of at least one month in advance. The effective date of surrender of agreement will be one month counted from the date of receipt of such notice by the other party or the authority that signed the agreement on behalf of other party.

It shall be the responsibility of the Agency/Contractor to maintain the agreed quality of service, even during the period when the notice for surrender/termination of agreement is pending and if the quality of performance is not maintained, during the said notice period, it shall be treated as material breach liable for termination at risk and consequent of Agency/Contractor and Security Deposit shall be forfeited, without any further notice.

Whenever breach of non-fulfilment of agreement conditions may come to the notice of WAPCOS Limited through complaints or as a result of the regular monitoring, wherever considered appropriate WAPCOS Limited may conduct an inquiry either suo-moto or on complaint to determine whether there has been any breach in compliance of the terms and conditions of the agreement by the Agency/Contractor or not. The Agency/Contractor shall extend all reasonable facilities and shall endeavor to remove the hindrance of every type upon such inquiry.

**Actions pursuant to termination of Agreement:** Notwithstanding any other rights and remedies provided elsewhere in the agreement, upon termination of this agreement.

- a) Firm shall not represent the WAPCOS Limited in any of its dealings.
- b) Firm shall not intentionally or otherwise commit any act(s) as would keep a third party to believe that it is still the WAPCOS Limited's service provider.
- c) The expiration or termination of the Agreement for any reason whatsoever shall not affect any obligation of either Party having accrued under the Agreement prior to the expiration of termination of the Agreement and such expiration or termination shall be without prejudice to any liabilities of either Party to the other Party existing at the date of expiration or termination of the Agreement.

The rights and obligations arising out of this agreement shall not be assigned or transferred to a third party without prior written consent of either party.

Notwithstanding anything contained herein, either party to this agreement shall have the right to terminate this contract by giving the other party 30 days' notice in writing.

If the service of the Agency/Contractor is found to be not satisfactory, the contract will be terminated with one month's notice and the Agency/Contractor will not be eligible for any compensation on this account.

## **21.0 Foreclosure of Contract Due To Abandonment or Reduction In Scope of Work**

If at any time after acceptance of the tender, the Engineer-in-charge shall decide to abandon or reduce the scope of the works for any reason whatsoever and hence not require the whole or any part of the works to be carried out, the Engineer-in-Charge shall give notice in writing to

that effect to the bidder and the bidder shall act accordingly in the matter. The bidder shall have no claim to any payment of compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.

## **22.0 Force Majeure:**

If performance by either party of its duties and obligation under this agreement is prevented or delayed by circumstances of force majeure including, but not limited to fire, flood, earthquakes, strike, war, riots, insurrection, any action undertaken or restriction imposed by authority of any Government agency or court, shortage of equipment or raw materials or any other act beyond its reasonable control, the time within which the affected party must perform shall be delayed for a period under such circumstances to a maximum of 120 days during which the parties shall use alternate methods, but after which period either party shall have the right to terminate the agreement. Determination of this agreement shall not relieve either party from the payment of the sum or performance of other duties and obligations, which may be owing to the other, as a result of the operation of this agreement prior to such termination.

## **23.0 Settlement of Disputes, Arbitration**

Any dispute, controversy or claims arising out of or relating to this Agreement or the breach, termination or invalidity thereof, shall be settled through following mechanism:

- a) Firstly, the aggrieved party shall write a letter to the other party detailing its grievances and calling upon the other party to amicably resolve the dispute by convening a joint meeting. Accordingly, the parties as per their convenience shall jointly convene the said meeting (s), wherein minutes of the said meeting (s) shall be prepared and countersigned by all the parties. It is mandatory to prepare minutes of meeting (s) and to be countersigned by all the parties, irrespective of the outcome of the said meeting (s).

**Sub: Integrity Pact for ----- (Name of Work)**

Dear Sir,

I/We acknowledge that WAPCOS Limited is committed to follow the principles thereof as enumerated in the Integrity Agreement enclosed with the tender/bid document at **Enclosure-I**.

I/We agree that the Notice Inviting Tender (NIT) is an invitation to offer made on the condition that I/We will sign the enclosed integrity Agreement, which is an integral part of tender documents, failing which I/We will stand disqualified from the tendering process. I/We acknowledge that THE MAKING OF THE BID SHALL BE REGARDED AS AN UNCONDITIONAL AND ABSOLUTE ACCEPTANCE of this condition of the NIT.

I/We confirm acceptance and compliance with the Integrity Agreement in letter and spirit and further agree that execution of the said Integrity Agreement shall be separate and distinct from the main contract, which will come into existence when tender/bid is finally accepted by WAPCOS Limited. I/We acknowledge and accept the duration of the Integrity Agreement, which shall be in the line with Article 1 of the enclosed Integrity Agreement.

I/We acknowledge that in the event of my/our failure to sign and accept the Integrity Agreement, while submitting the tender/bid, WAPCOS shall have unqualified, absolute and unfettered right to disqualify the tenderer/bidder and reject the tender/bid in accordance with terms and conditions of the tender/bid.

**INTEGRITY AGREEMENT**

This Integrity Agreement is made at ..... on this..... day of ..... 20.....

BETWEEN

WAPCOS Limited, Gurugram (Hereinafter referred as the '**Client**', which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

AND

.....through.....  
(Name and Address of the Individual/firm/Company)

..... (Hereinafter referred to as the "**Bidder/Agency/Contractor**")

(Details of duly authorized signatory)  
and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

**Preamble**

WHEREAS the Client has floated the Tender (NIT No. ....) (hereinafter referred to as "Tender/Bid") and intends to award, under laid down organizational procedure, contract for..... (Name of work) hereinafter referred to as the "Contract".

AND WHEREAS the Client values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Agency/Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "Integrity Pact" or "Pact"), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:-

**Article 1: Commitment of the Client**

1. The Client commits itself to take all measures necessary to prevent corruption and to observe the following principles:
  - a. No employee of the Client, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
  - b. The Client will, during the Tender process, treat all Bidder(s) with equity and reason. The

Client will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.

- c. The Client shall endeavor to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- 2. If the Client obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Client will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

#### **Article 2: Commitment of the Bidder(s)/Agency/Contractor(s)**

- 1. It is required that each Bidder/Agency/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the WAPCOS Limited all suspected acts of fraud or corruption or Coercion or Collusion of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- 2. The Bidder(s)/Agency/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
  - a. The Bidder(s)/Agency/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Client's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
  - b. The Bidder(s)/Agency/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
  - c. The Bidder(s)/Agency/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contract(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Client as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
  - d. The Bidder(s)/Agency/Contractor(s) of foreign origin shall disclose the names and addresses of agents/ representatives in India, if any. Similarly Bidder(s)/Agency/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

- e. The Bidder(s)/Agency/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- 3. The Bidder(s)/Agency/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 4. The Bidder(s)/Agency/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the WAPCOS interests.
- 5. The Bidder(s)/Agency/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/her reputation or property to influence their participation in the tendering process).

### **Article 3: Consequences of Breach**

Without prejudice to any rights that may be available to the Client under law or the Contract or its established policies and laid down procedures, the Client shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Agency/Contractor(s) and the Bidder/ Agency/Contractor accepts and undertakes to respect and uphold the Client's absolute right:

- 1. If the Bidder(s)/Agency/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Client after giving 14 days' notice to the Agency/Contractor shall have powers to disqualify the Bidder(s)/Agency/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Agency/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Client. Such exclusion may be forever or for a limited period as decided by the Client.
- 2. Forfeiture of Performance Guarantee/Security Deposit: If the Client has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Client apart from exercising any legal rights that may have accrued to the Client, may in its considered opinion forfeit the entire amount of Performance Guarantee and Security Deposit of the Bidder/Agency/Contractor.
- 3. Criminal Liability: If the Client obtains knowledge of conduct of a Bidder or Agency/Contractor, or of an employee or a representative or an associate of a Bidder or Agency/Contractor which constitutes corruption within the meaning of IPC Act, or if the Client has substantive suspicion in this regard, the Client will inform the same to law enforcing agencies for further investigation.

### **Article 4: Previous Transgression**

- 1. The Bidder declares that no previous transgressions occurred in the last 5 years with any

other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.

2. If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Agency/Contractor as deemed fit by the Client.
3. If the Bidder/Agency/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Client may, at its own discretion, revoke the exclusion prematurely.

#### **Article 5: Equal Treatment of all Bidders/Agency/Contractors/SubAgency/Contractors**

1. The Bidder(s)/Agency/Contractor(s) undertake(s) to demand from all subAgency/Contractors a commitment in conformity with this Integrity Pact. The Bidder/Agency/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Sub Agency/Contractors/sub-vendors.
2. The Client will enter into Pacts on identical terms as this one with all Bidders and Agency/Contractors.
3. The Client will disqualify Bidders, who do not submit, the duly signed Pact between the Client and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

#### **Article 6: Duration of the Pact**

1. This Pact begins when both the parties have legally signed it. It expires for the Agency/Contractor/Vendor 12 months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded.
2. If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, WAPCOS Limited.

#### **Article 7: Other Provisions**

1. This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Client, who has floated the Tender.
2. Changes and supplements need to be made in writing. Side agreements have not been made.
3. If the Agency/Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
4. Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
5. It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Client in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be

subject to arbitration.

**Article 8: Legal and Prior Rights**

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

#### a) Roadways

The Project is located 135 kms away from Mangaluru. The Project is well connected from all major roads. It takes approx. 3 hours to reach the project site from Mangaluru.

#### b) Railways

The nearest railway stations is at Kundapura Railway Station from which is 35 km from Project Site and Shimoga Railway Station from which is 93 km from Pickup Dam site.

#### c) Airport

Nearest airport is Mangaluru airport which is 130 km away from Project Site.

### 4. Scope of Work

The scope of work includes **Establishment of Rain gauge station, Automatic Weather station and Current Meter at Varahi Pumped Storage Project, Karnataka**. The detailed scope of work includes:

#### 4.1 Supply, Installation, and Commissioning

The agency shall be responsible for the comprehensive supply, installation, and commissioning of the following stations at the specified locations:

- **Cup-Type Current Meter at Dam Site:** This includes all necessary equipment for continuous monitoring of stream velocity & discharge.
- **Rain Gauge Station (SRRG) and Rain Gauge Station (ORG) at Dam Site:** This includes a tipping bucket rain gauge with data logger, ensuring accurate measurement of precipitation.
- **Automatic Weather Station (AWS) at catchment:** This includes sensors for measuring key meteorological parameters such as air temperature, rainfall, relative humidity, wind velocity and direction.

The job of establishing the observation stations shall be carried out as per following specifications:

- i. The Rain gauge Station and Weather Station shall be established as per standard guidelines specified by IMD/WMO.
- ii. For SRRG, Tipping Bucket type recorders shall be established.
- iii. Weather station should have data logger and sensors for automatic recording of data and direct downloading on computer.

- iv. The rain gauge and weather station sensors shall be robust; so as to withstand the extreme weather conditions prevailing in the region.
- v. All the sensors should have sufficient range of observation and resolution so that full range of variation of respective weather parameters in the region are recorded.
- vi. Current meter shall be established as per standard guidelines given in IS codes.

#### 4.2 Software and Data Management

The agency shall provide, at its own cost, all necessary **software for data recording, processing, visualization, and reporting**. This includes:

- **Data Acquisition Software:** For seamless collection of data from all instruments.
- **Database Management System:** For secure storage and retrieval of historical and real-time data.
- **Data Analysis and Reporting Tools:** Capable of generating customizable reports, graphs, and trends.
- **Remote Access and Monitoring Capabilities:** The software should allow authorized personnel to remotely access, monitor, and download data.
- **Integration Capabilities:** The software should be capable of integrating with existing or future data management platforms of the client, if required.

#### 4.3 Warranty and Insurance

The agency shall provide a comprehensive **warranty & insurance of at least twelve (12) months** from the date of successful commissioning for all supplied instruments and installed systems. This warranty & insurance shall cover defects in material, workmanship, and performance.

#### 4.4 Training and Documentation

The agency shall provide comprehensive training to the client's personnel on the following aspects:

- **Operation of Instruments:** Detailed hands-on training on the functioning of all installed equipment.
- **Data Recording and Management:** Training on using the provided software for data acquisition, storage, retrieval, and basic analysis.
- **Routine Maintenance:** Instructions and practical demonstrations on routine maintenance procedures to ensure optimal performance and longevity of the instruments.
- **Troubleshooting:** Basic troubleshooting techniques for common issues.

The agency shall also provide **complete sets of user manuals, technical specifications, and maintenance guides** for all supplied equipment and software. All documentation shall be in English.

#### **4.5 Quality Assurance and Calibration**

The agency shall ensure that all supplied instruments are of high quality, calibrated to national or international standards, and accompanied by **calibration certificates**. Post-installation, the agency shall perform on-site calibration and testing to verify the accuracy and functionality of all systems.

#### **4.6 Site Preparation and Safety**

The agency shall advise the client on any specific site preparation requirements for the optimal functioning of the stations. During installation, the agency shall adhere to all relevant safety regulations and best practices to ensure the well-being of its personnel and client's representatives.

#### **4.7 Post-Commissioning Support**

The agency shall provide post-commissioning support, including technical assistance and troubleshooting, for the entire warranty period. This may include remote support or on-site visits as deemed necessary.

#### **4.8 Deliverables**

The key deliverables from the agency shall include:

- Fully installed and commissioned Rain Gauge Station, Automatic Weather Station and Current meter.
- All necessary software licenses and installations.
- Comprehensive training for client personnel.
- Complete set of user manuals, technical specifications, and maintenance guides.
- Calibration certificates for all instruments.
- Warranty and insurance documents
- Final Completion Report

#### **5. Time Schedule**

The works shall be completed in 01 (One) Month in all respect, from the date of commencement.
